

Celebrating the life and ministry of SHAWN KELLEY

“Shawn Kelley has served World Team Cameroon South and the missionary community in numerous ways over the past two years. His role as World Team’s field administrator has been indispensable. His role as servant and friend has touched the lives of many beyond World Team’s missionary community. Shawn has left behind a host of friends and family here in Cameroon including missionaries and nationals . . . more of whom than what I was aware of before today.” – Barry Abbott, Cameroon South FD
