## The Urgency

The rental contract on our current CMF Youth Hostel expires **July 31st, 2011**. With the new hostel nearing completion, the target is to move before then. Students arrive for the new school year **August 9th, 2011**.

However, the funds that have been raised are not adequate to complete the new hostel! Our partner missions have raised their portions and are now looking for us to meet our commitment. ***Please pray that God would provide the remaining funds!***

## The Opportunity

***Will you serve WT kids and their families so they can continue to serve the unreached in Cameroon?***

## Serving Those Who Serve

Imagine yourself having to choose between:

- A) a good education for your children or
- B) staying on the mission field.

This is a real dilemma faced by many World Team missionaries!

To help meet this critical need for good MK education, **World Team**, in partnership with **RFIS** and other cooperating missions, created the project plan ***Serving Those Who Serve***. The purpose is to keep missionaries on the field and give their kids a great education!

# Serving Those Who Serve

## The Need

RFIS, the school most World Team MK's attend for Sr. High, recently relocated and expanded to better serve missionary families in Cameroon. Because of the relocation, World Team, along with partner missions, has begun constructing a new home for our MK's.

RFIS purchased and developed the walled-in area above. Essential school buildings were completed in time for the school to relocate in August 2010. The arrow indicates the location of the CMF hostel now under construction.

## The Plan

- ✓ Contribute toward RFIS expansion (done)
- Construct Youth Hostel for MK's (in progress)
- Construct a Fourplex for Teachers and Visiting Parents
- Recruit Teachers and Hostel Parents

A large building crew is working diligently 6 days a week to try to complete the new hostel before school begins in August. Funds are needed to keep the work going!

## The Partners

**RFIS:** Rain Forest International School ([www.rfis.org](http://www.rfis.org)) provides quality education for missionary kids grades 7-12. It is administered by SIL, an organization comprised of members of Wycliffe Bible Translators.

**CMF:** Cameroon Missionary Fellowship is a partnership of World Team Cameroon, North American Baptist Conference and Baptist General Conference missionaries. CMF is one of three voting partners in RFIS.

*Would you consider giving something to help us complete the work?*

## The Personnel

Besides short-term workers to help with building needs, World Team needs ongoing personnel:

- Loving **Hostel Parents** to care for the MK's attending RFIS
- A **Hostel Assistant** who helps the three MK hostels at RFIS by giving the hostel parents occasional breaks.
- **Certified teachers and staff** for RFIS (see [rfis.org](http://rfis.org) for current needs)

## The Long-Term Benefit

Missionaries stay on the field and people come to know the Lord!
